

ENTERPRISE YOUR FUTURE

Do you need some Direction?

Does the following sound interesting?

- ◇ Enterprise
- ◇ Exclusive manufacturing skills
- ◇ Profit sharing

Do you want to work with other people, gain qualifications and have some fun?

Who is it for?

Secondary school aged pupils and beyond

What will I do?

You will form a business group that makes, sources and sells craft goods and exclusive food products

Learn skills in some or all of:

- ◇ Unique crafts
- ◇ Original food preparation methods
- ◇ Design and manufacture
- ◇ Marketing
- ◇ Business management
- ◇ Finance planning
- ◇ Retailing

How long will it take?

12 hours a week, for approximately 12—16 weeks.

Where will it lead?

You will learn a variety of skills, and be able to add the experience to your CV. The work you do on this project will be entered for a recognised qualification, showing what you have learnt. Employers and educators value projects such as this, that show them what you are capable of.

We will work with you to cover units in:

- ◇ Literacy
- ◇ Maths
- ◇ Teamwork
- ◇ Craft & Manufacturing
- ◇ Business

You'll be surprised how valuable these skills will be to you in the future!
