- ◇ Innovative presentation

**Content:**

The main thing is flexibility to suit client needs but a typical residential course lasts three to five days focused on enterprise and problem solving activities within real contexts:

- ◇ Sustainable energy and transport solutions
- ◇ Event management
- ◇ Team building
- ◇ Craft skills and marketing

Courses available with either pre and post delivery tasks or standalone where we take delegates through a comprehensive programme.

Mapped to recognised awarding body criteria at levels 1—3

Additional feature can include:

- English Language immersion
- Course themed off site tours
- Real testing of your enterprise market

**Based in an inspirational environment to achieve outstanding results 4Km from Oxford City Centre**

The City of dreaming spires is 'the' education location that will open doors for the rest of your life
