

Race Format

For all classes there will be two rounds of heats and one 20 minute final session with no enforced pit stops!

This makes for exciting racing with the opportunity for refuelling stops etc when they suit you. There will also be the importance of keeping your car in good shape for the duration of the final, as repairs will be allowed during the race but no swapping of cars. Qualifying heats can use different cars, allowing schools to race up to three different cars per entry.

Points scoring will follow the Formula One format from 25 to 1

Programme		J u d g i n g
9.30	Arrive and Setup	
10.00 – 10.15	Drivers Briefing	
10.30 – 11.00	Electric Qualifying

	21	Beechen cliff School
20	George Watson's College	

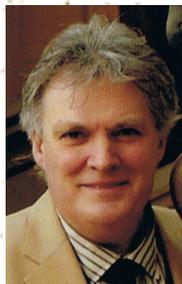

Welcome to Formula Schools Race Day 2011

Due to the cost of running the scheme and staging a Race Day we thought 2010 may have been the last, but you, the participants have kept the pressure up to come together at Silverstone to race each other from all parts of the country. With the support of Moto Arena and other enthusiasts we hope to offer you a high quality event whilst being able to remain at the venue which is at the heart of Motorsport in the UK.

The scheme is delivered by many schools as part of the curriculum, and as such the time and resource needed to attend an event have to be increasingly justified, so maybe that will be the scheme's future and legacy; time will tell. In the meantime we are here to race and have all the fun and drama of a Formula Schools Race Day, but on a far more challenging track and one where for the Electric class at least the weather does not matter!

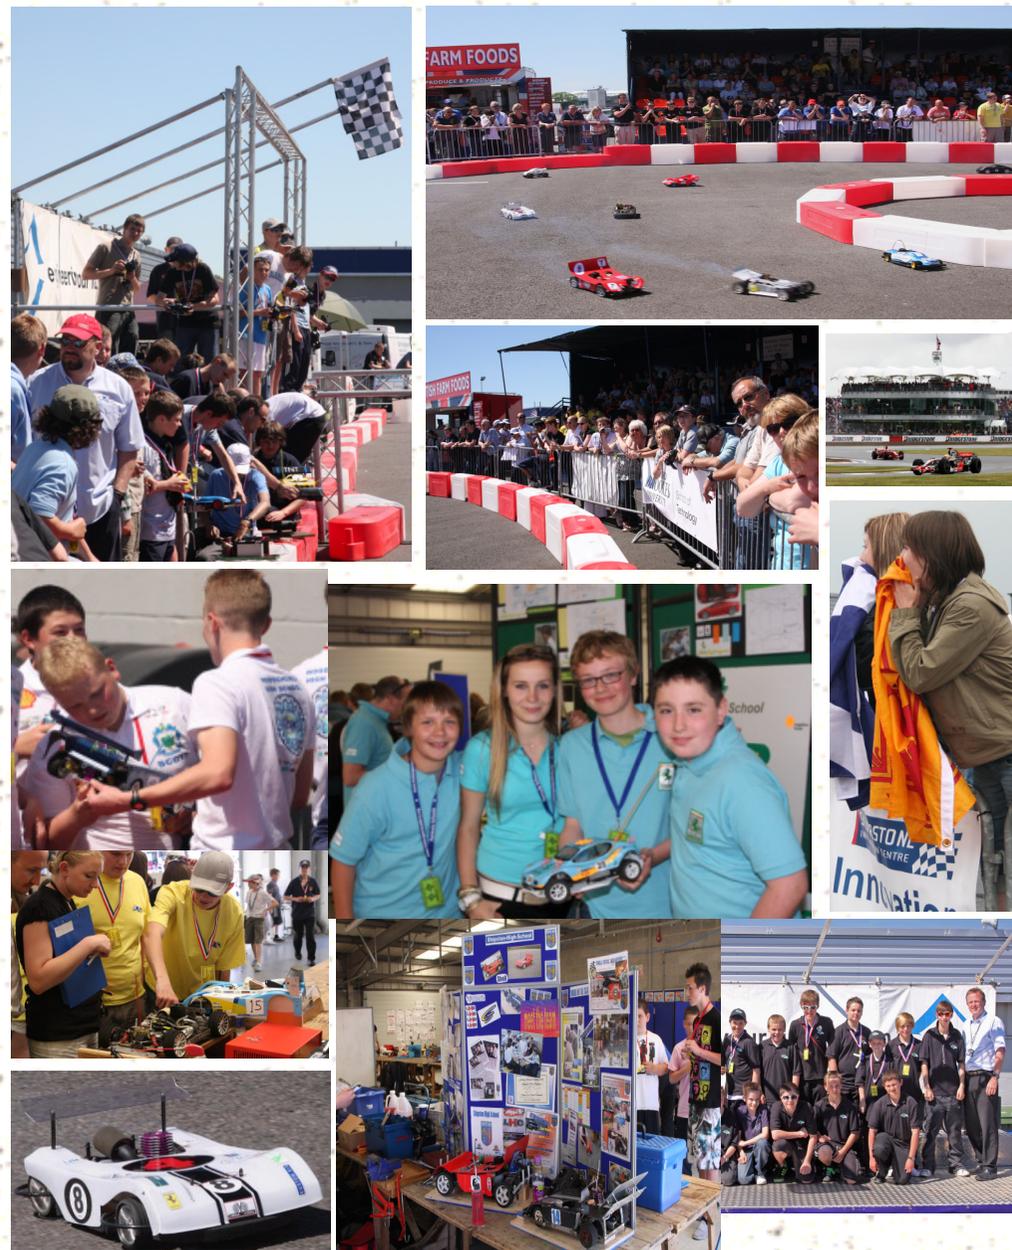

Good luck to you all. Rob Austin MBE

Formula Schools Prizes

Electric			
	Prize	Presented by	
Overall Champions	Trophy & £125	Oxford Brookes University	
Engineering	Trophy £50	Techsoft UK	
Body and Aerodynamics	Trophy £100	Boxford	
Teamwork	Trophy & £50	Swansea Metropolitan University	
Best Electric Engineering Class Car	Trophy & £100	Didcot Power Station	
Grand Prix Winner	Trophy Subscription	Racer Magazine	
Heats Winners	Certificate	Formula Schools	
I.C			
	Prize		Presented by
